

DISTRIBUTION OF PROPERTY TAX INFORMATION FOR 2007-2008 TAX YEAR IN BENTON COUNTY

DISTRIBUTION OF PROPERTY TAXES:

Benton County assesses property and collects property taxes for over 50 taxing districts including cities, schools and community colleges, road, fire and other special purpose districts. Only a portion of property taxes imposed and collected by the county support Benton County government operations (See Chart 1).

TOTAL IMPOSED TAXES IN 2007 IS \$93,146,582

Chart 1: Distribution of property taxes imposed (billed to taxpayers) for 2007 by taxing district type.

After subtraction of delinquencies and discounts, Benton County will net approximately \$13.8 million in property taxes to support county government services in the first year of the 2007-09 biennium budget of \$150,339,312 (See Chart 2)

Chart 2: Distribution of property taxes to Benton County government services in the 2007-09 adopted biennium budget.
