

WELCOME ABOARD THE 99 EXPRESS!

Connecting the communities along Highway 99W.

Tips for Riding the Bus

- Arrive at your bus stop a few minutes before the bus is scheduled to arrive.
- Make sure your fare or bus pass is readily available.
- As a bus approaches, stand by the bus stop pole.
- As you board the bus, show the bus operator your bus pass, or place exact change into the farebox next to the bus operator's seat.
- Please sit down quickly. Seniors and guests with disabilities should sit near the front of the bus if needing assistance from the driver.
- The bus will not stop to board guests once it has pulled away from the curb.
- If another guest needs a seat, please remove personal items from the seat next to you.

How to Board the Bus

1. Wait in view of the operator: Wait in the middle of the bus stop where the operator can see you. That way when your bus arrives, the operator will know to deploy the ramp or lift, which helps save time.
2. If you need the ramp or lift, just ask: If you need to use the ramp or lift and the operator has not already deployed it, just ask. He or she can assist you to guide your mobility device onto the ramp or lift.
3. Priority seating & securement areas: On board, look for the priority seating area near the front of the bus. Two securement areas are provided for mobility devices. The operator will secure your mobility device.

Getting Off the Bus

- One block from your bus stop, pull the signal cord located above the windows of the bus.
- When the bus stops, the operator will remove the securement straps from your mobility device, and deploy the ramp or lift for you.
- Please do not leave personal belongings on the bus.
- If you will be unloading a bike, please let your bus operator know on your way out the front door.
- Please watch your step.
- **DO NOT CROSS IN FRONT OF THE BUS.** Instead, wait until the bus has pulled away and cross at a designated location.

Rider Responsibilities

- Riders have responsibilities, too. Repeated breaking of the rules could cause a rider's exclusion from the transit system. These rules are enforced by 99 Express personnel.
- Valid and correct fare is required. A valid ticket, pass or transfer receipt is required on 99 Express buses.
 - Move for seniors and people with disabilities. In the priority seating area by the lift or the front of the bus, you are requested to move for seniors and people with disabilities. (Parents with strollers may use this area as long as it is not occupied or needed by a senior or disabled rider.)
 - Don't threaten or intimidate riders or operators. It is unlawful to threaten the safety of a rider or operator, or interfere with the movement of a bus. Obscenities and offensive language are prohibited.
 - Don't be so loud that you disturb others. Excessive noise is not allowed on 99 Express buses. Radio, tape, or CD listening is allowed with earphones as long as it does not disturb other customers. If you use your cell phone, speak softly so you do not disturb others.

- Refrain from talking to the driver while the bus is in motion.
- Don't block the aisles or doors. If you have a bag, make sure it's not blocking the aisle or doorway. Strollers must be folded after boarding. If you're standing, move back so others can board.
- If you bring a pet, keep it in a carrier. Unless it is a service animal, your pet must be kept in a secure carrier.
- Keep food and drinks in spill proof containers. Eating is not allowed on 99 Express buses. You may bring food and drinks on board in closed containers only.
- No smoking. Smoking is prohibited on buses, and where posted at bus shelters.
- Seats are for customers. If the bus is crowded, do not take more than one seat. Remove your packages from seating areas to make room for other customers. Keep your belongings on your lap or on the floor; please do not block the aisle. Baby strollers should be folded. Small, two-wheeled shopping carts are allowed only if there is room on the bus. Large carts and wagons are not permitted on the bus.
- Trash at Bus Stops is unsanitary and expensive to clean up. The biggest litter issue at bus stops is beverage containers that cannot be brought on the bus. Empty the container and place it in the trash can on the bus.

Mobility Device Securement

99 Express buses are equipped with lifts and each bus has two securement positions. Your mobility device must be properly secured, and the driver will provide the securement. Customers who use a walker with a built-in seat may not use the walker seat to sit on while riding on 99 Express buses. It will be necessary to transfer to a regular bus seat.

Tips for Using the Lifts

- Set the brakes on your mobility device and turn off the power.
- If you are standing on the lift, be sure to hold onto the hand rail.
- Lifts can hold mobility devices up to 30" wide and 48" long, weighing up to 600 pounds when occupied.
- A personal attendant may ride the lift with you.
- Backing your mobility device onto the lift may make it easier to maneuver into the securement area inside.

Holiday Schedule

99 Express buses do not operate on New Year's Day, Easter, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.

Transfers

The first transfer from a 99 Express to a Corvallis Transit System buses is free from September 1, 2010 – December 31, 2010. First transfers from a CTS bus to board a 99 Express bus is also free. To transfer from a 99 Express bus to a Corvallis Transit bus, ask your driver for a free transfer ticket.

The 99 Express transports rural riders into Corvallis. For destinations in Corvallis not served by the 99 Express; locate a Corvallis Transit System bus schedule to determine the correct Corvallis Transit System bus that will transport you closest to your desired destination.

Park & Ride

Parking is available along the north side of Arnold Avenue to park your car and ride the bus. Before leaving your vehicle and boarding the bus, remember to remove any valuables from view and lock all doors.

Flag Stops

The 99 Express stops at scheduled bus stops at regular times. A flag stop is an unscheduled bus stop located mid-route between Adair Village and Corvallis. The flag stop is located north and west of the intersection at Highway 99W and Lewisburg Road. Be visible and wave to flag the bus down.

Deviation Points – Reserved Pick Ups

The bus will deviate from its fixed route in Adair Village. If you are unable to get to the bus due to distance from your home to the bus stop and still live within the city limits, call 24 hrs in advance to (541) 752-2615 to request a pick up. Only two deviations may be reserved per run. In Corvallis, deviation points are for the following points only: Winco (Kings Blvd. & Walnut Blvd.), Kmart (Circle Blvd.), Carmike Cinemas (Circle Blvd.), and Benton County Health Department (27th St. and Tyler Ave.).

For deviations to the established route call Benton County Dial-A-Bus (541) 752-2615 24 hours in advance to reserve a pickup. All deviation to the route must be reserved in advance - no exceptions.

Bicycle Rack Service

All 99 Express buses are equipped with two-position bike racks. These racks are available for use on a first come-first served basis. Benton County assumes no liability for damage to bicycles.

Lost and Found

The 99 Express is not responsible for lost items. If you leave personal possessions on the bus, report it as soon as possible. Call (541) 752-2615 during business hours and provide a description of the lost item along with a date, time of the loss and which 99 Express bus you were riding.
