- No, I do not expect to spend or receive more than \$750 during each calendar year. The \$750 includes personal funds spent for any campaign-related costs, such as the candidate filing fee; however state voters' pamphlet filing fees are not included when calculating contribution or expenditure totals. I understand I must still keep records of all campaign transactions and if total contributions or total expenditures exceed \$750 during a calendar year, I must follow the requirements detailed in the Campaign Finance Manual.
NOTE: If you have previously filed for office please check with the Elections Division to verify if you have an existing candidate committee.
- No, but will be filing a Statement of Organization for Candidate Committee (SEL 220).
