Summary 175 words which concisely and impartially summarizes the measure and its major effect.

This proposal would amend Section 23(b) and Section 23(e) of the City Charter. The amendment would lengthen the time the City Council is allowed to fill a vacancy in the City Manager position. The Charter currently allows a maximum of six months. The proposal is to allow a maximum of two years. Within 30 days of a vacancy, the City Council would be required to adopt a resolution setting out the recruitment process and timeline and to use that process to select the next City Manager. The Council would need to complete the recruitment and appoint the new City Manager within two years. This proposal would also extend the period that a pro tem City Manager is permitted to serve from six months to two years and clarify the authority of a pro tem Manager to appoint or terminate City employees.
