Filling City Council Vacancies by Appointment

**Question** 20 words which plainly phrases the chief purpose of the measure.

Should the Corvallis City Charter be amended to fill vacant Council positions by appointment rather than by special election?

**Summary** 175 words which concisely and impartially summarizes the measure and its major effect.

If adopted, this measure would amend Section 34 of the Corvallis City Charter and require the City Council to fill vacant City Council positions by appointment within 60 days of a vacancy, rather than holding a special election. The method of nomination and appointment would be set by ordinance. This measure would not change the requirement to hold a City-wide special election to fill vacancies in the office of mayor. This measure would require the City Council to fill vacant City Council seats within 60 days, require any ordinance setting the appointment process to include nominations from the ward, and include a requirement that the City Council hold a public hearing prior to any appointment. This amendment would minimize the time that constituents in any ward remain unrepresented.

**Explanatory Statement** 500 words that impartially explains the measure and its effect.

If the county is producing a voters' pamphlet an explanatory statement must be drafted and attached to this form for:  
→ any measure referred by the city governing body; or  
→ any initiative or referendum, if required by local ordinance.

Explanatory Statement Attached?  Yes  No
