

Confidential Oregon Morbidity Report

Oregon clinicians are required by law to report confirmed or suspect diagnoses of many specified diseases and conditions. Reports should be made to the patient's local health department. You are welcome to call and discuss a report, or you can simply fax the required information using this form or any equivalent that includes all the required information.

Confidential fax numbers for Oregon's local health departments and a list of reportable conditions are available on the web at <http://public.health.oregon.gov/DiseasesConditions/CommunicableDisease/ReportingCommunicableDisease/Pages/index.aspx> as is this form. If the patient is an out-of-state resident, fax this directly to the state health department in Portland (971-673-1100).

Use a separate sheet for each patient. Use a dark ink and write legibly. The date and time will be printed automatically by the fax machine. *No cover page is necessary.*
