

Benton County Harm Reduction Program

Harm Reduction helps people stay safe when they have sex or use drugs.

HOW CAN THEY HELP?

- Street and community outreach throughout Benton County
- Anonymous syringe exchange services
- Education and vaccination referrals for Hepatitis A
- Education and Rapid Testing for HIV, Hepatitis C, and Syphilis
- Non-judgmental support and help accessing health and social services
- Referrals to services, treatment, and care for persons living with HIV
- Referrals for PrEP (Pre Exposure Prophylaxis) –a daily pill to help prevent HIV infection

WHO ARE THEY?

- Jess Horowitz, Hepatitis A Prevention Outreach Specialist
- Blue Valentine, Harm Reduction Outreach Specialist
- Chris Gray, Harm Reduction Outreach Specialist
- Rhonda Greene, Harm Reduction Health Navigator

HOW CAN I REACH THEM?
