Special Requirements:

Bachelor's Degree in psychology, social work, or other approved field of study.
 Ability to get certified as a QMHA by MHACBO within the first year of employment
 Driver's License Required

Physical Requirements:

Physical Demands

While performing the duties of this job, the employee is regularly required to stand, walk, move, talk, hear, and manipulate equipment, as well as lifting and moving objects, equipment and supplies. The employee must occasionally lift and/or move up to 25 pounds. Lifting up to 40-50 pounds may occasionally be required, depending on the specific style or type of care provided. Specific vision abilities required by this job include close vision, depth perception and ability to adjust focus.

Working Conditions:

The employee works in well-lighted, clean environments. The noise level in the work environment is quiet to moderate. May work evenings or weekends. **Check the following that applies to this position:** The employee may occasionally: work with angry or hostile clients or members of the public, work with toxic substances and biohazards, and exposure to infectious illnesses.

Emergency Preparedness:

Benton County is committed to emergency preparedness planning and implementation, and disaster recovery. In the case of a Health Department, County, State, Federal or other emergency or disaster, this position may be called upon to assist in responding. This may require the assignment of additional responsibilities, depending on the circumstances. These responsibilities could include unscheduled temporary changes in work schedule and/or work duties, including evenings and weekends, work relocation, overtime, working with other community agencies such as the local Fire Department, hospitals, the Red Cross and other emergency responders. The ability to be flexible is critical in our overall response to the emergency or disaster. Under Emergency situations this position may be called in to work, supporting Administration in regular duties or other work as assigned. Per County personnel policy, this position may be included in the agency's essential personnel for emergency/disaster response.

Quality Improvement Participation:

Employees are expected to participate in improving BHS' performance, processes, and programs through quality improvement activities, use of the PDSA model and participating on QI teams as assigned.

NOTE: The above job description is intended to represent only the key areas of responsibilities; specific position assignments will vary depending on the business needs of the department.
