V. Attached Documentation: With all land use applications, the "burden of proof" is on the applicant. It is important that you provide ALL the information listed on the following pages at the time you submit your application. The processing of your application does not begin until the application is determined to be complete.

Conditional Use Criteria - Please answer in detail on a separate sheet of paper.

- 1) Describe how the proposed use will not seriously interfere with uses on adjacent property, with the character of the area, or with the purpose of the zone. Include any special measures you propose to undertake in order to minimize the impacts on adjacent properties and to ensure compliance with the purpose of the zone. Consider such features as: location of the use on the parcel; driveway location; parking area(s); on-site traffic circulation; landscape or fencing separations; size of structures; signs; noise; air emissions.
2) Describe how the proposed use will not impose an undue burden on any public improvements, facilities, utilities, or services available to the area. Include any special measures you propose to undertake in order to minimize the impacts on public services. Consider such features as: road capacities in the area; driveway location; exterior lighting; drainage.
3) If the property is zoned EFU or FC describe how the proposed use:
a) Will not force a significant change in accepted farm or forest practices on surrounding lands devoted to farm or forest use; and
b) Will not significantly increase the cost of accepted farm or forest practices on surrounding lands devoted to farm or forest use.

Initial

I am aware that building permits and/or plans review may be required by this Department for any structural modification, addition, or change in occupancy of any building or any change to the electrical, plumbing or mechanical systems of any building.

I declare that I am the owner, contract purchaser or lessee of the above noted premises; that the home-based business does not violate any deed restrictions attached to the property involved; that I have obtained all approvals and/or licenses related to the home-based business; and that the information contained herein is true and accurate to the best of my knowledge.

I understand that if the Planning Official determines that a nuisance or abuse of an authorized and lawfully established home-based business exists, the Planning Official may direct the owner to correct the nuisance, relocate the use, or terminate use of the home-based business on the property.

I recognize that this planning permit, if approved, is valid for only the business as described in this application, and that any change in the character or the use requires a new application.

I understand I am required to file a personal property return with the Benton County Assessment Department. (Contact the Assessment Dept. at 541-766-6855 for more information. Note: If your application is approved, the Assessment Dept. will be notified of your proposed business.)

I understand that the Fire Department may require improvements to my driveway. I spoke with at the Fire Department on (date).

I understand that Benton County Environmental Health (541-766-6841) may require improvements to my septic system. I spoke with at Environmental Health on (date).

I understand that Benton County Public Works (541-766-6821) or ODOT (541-757-4211) may require road improvements or a road approach permit. I spoke with at Public Works/ODOT on (date).
