Criteria – Benton County Code

Note: This permit is to allow compliance with the underlined section of the code copied below.

91.565 Occupancy of Recreational Vehicles. Recreational vehicles may be placed for temporary residential occupancy at one location as an accessory use only in any zone without permits for a period not to exceed thirty (30) days. One sixty day extension is allowed for which a placement permit is required. Recreational vehicles may be placed for temporary residential occupancy during the construction of a permitted dwelling for a period not to exceed one year. Recreational vehicles may be used as a primary residence only within mobile home or manufactured dwelling parks and resource zones, subject to appropriate land use approval required by other sections of the Development Code and applicable building and septic permit requirements.

1. **Temporary RV Placement Rules** This permit authorizes a single recreational vehicle to be occupied for living purposes.
2. This permit expires on _____, which is 60 days after the expiration of your 30-day placement without permits. After _____, no recreational vehicles shall be occupied.
3. This permit constitutes the one recreational vehicle placement permit that is allowed per 12-month period.
4. This permit is valid only so long as the septic system on the property is not failing.
5. Sewage generated in the RV, both gray water and black water, shall go into an approved RV dump station, unless approval has been obtained to connect to the septic system by permit # _____.
6. No chemicals may be used in the RV if the sewage goes into the septic system.
7. Failure to comply with these conditions or with other provisions of the Benton County Development Code may result in the revocation of this permit and/or civil citation or other enforcement action.

If you have any questions, please contact this office at 541-766-6819. For septic system questions, please contact the Environmental Health Division at 541-766-6841.
