Dear Transportation Official:

The Corvallis Area Metropolitan Planning Organization (CAMPO) is in full support of Benton County's' FASTLANE Grant Application for the improvement of 53rd Street and the Willamette Pacific railroad tracks Crossing.

Resolving the conflict of 53rd Street and the railroad tracks has long been one of the highest transportation priority of this community. As such, the project has been enumerated in CAMPO's adopted Regional Transportation Plan and in Transportation Improvement Program. This project would significantly improve public safety and would enhance the efficiency of this community's transportation system. Benton County and CAMPO are fully committed to put forward their most earnest efforts for the success of this project.

Should you need any additional information regarding this project, please feel free to contact me.

Respectfully,

Ali Bonakdar, Director
On Behalf of CAMPO's Policy Board
